Color WHITE

Mileage 72576

Key YES

Runs YES

Drives UNKNOWN

Description

what's believed to be a low original mile convertible. will start with a jump start, but will not drive. Unsure if brakes stuck or transmission issue. This vehicle has been setting a couple years, it was bought as a project that has not materialized. We also have the shop manual included with vehicle. paperwork will have to be completed through our dealership(we can assist with this)
